

DEES Earth Science Major Checklist

Name: UNI:
Conc: YOG: **Points required: 46-47**

	Points	Semester	Course #
I. Foundational Courses (2) (9 points)			
Solid Earth System (EESC 2200)			
One of the following:			
Climate System (EESC 2100)			
Life System (EESC 2300/EEEB 2002)			

II. Supporting Courses (4) (13-14 points)			
Calculus (MATH 1101 or 1102)			
Chemistry (CHEM 1403)			
Physics (PHYS 1201)			
One of the following:			
CHEM 1404 or above			
PHYS 1202 or above			

III. Capstone Experience (6 points)	Research Advisor:	
Research Seminar (Fall: EESC 3901)		
Senior Seminar (Spring: EESC 3901)		
or	Project title:	
6-8 week Summer Geology Field Course		

IV. Depth & Breadth Courses (6) (minimum 18 points)			<i>Note: at least 3 courses must be taught by a DEES professor</i>
One of the following:			
EESC 3101 Geochem Habitable Planet			
EESC 3201 SolidEarth Dynamics			
Three Depth Courses:			
Two Other Depth/Breadth:			
Optional additional courses:			

**Directors of
Undergraduate Studies:**
Dr. Terry Plank
Dr. Joerg Schaefer
